

The Harbor Book

A GUIDE FOR COMMUNITY PARTNERS

*Helping Businesses Keep
Families Together*

Dedicated to
every family

who simply needed
a little more time.

And to
every dog

who deserved
the chance to go home.

A Letter from Our Founder

Dear Friends,

Safe Harbor was born from a simple truth: life happens.

A medical crisis. A sudden loss. Domestic violence.
Active duty deployment. Housing insecurity.
When the unexpected strikes, families need time to heal,
to rebuild, and to find their way forward.

But far too often, loving people are forced to make
the hardest choice of all—giving up the dog
who has been their constant through every storm.

I started Safe Harbor so no one would ever have
to make that choice again.

We provide temporary, referral-based care for dogs while
their people face short-term crises. Our promise is simple:

We keep dogs safe so families can stay together.

This work is only possible because of compassionate
businesses like yours. Your support helps us be the bridge
between crisis and coming home.

Thank you for being part of this mission.
Together, we're proving that community changes everything.

With gratitude,

Nancy Ciara

Why Safe Harbor Exists

*Life doesn't always
give us a warning.*

A sudden crisis can turn a stable life
upside down in an instant.

A medical emergency.

A deployment.

Domestic violence.

Housing instability.

Or another unexpected storm.

In those moments, families need help—
not more heartbreak.

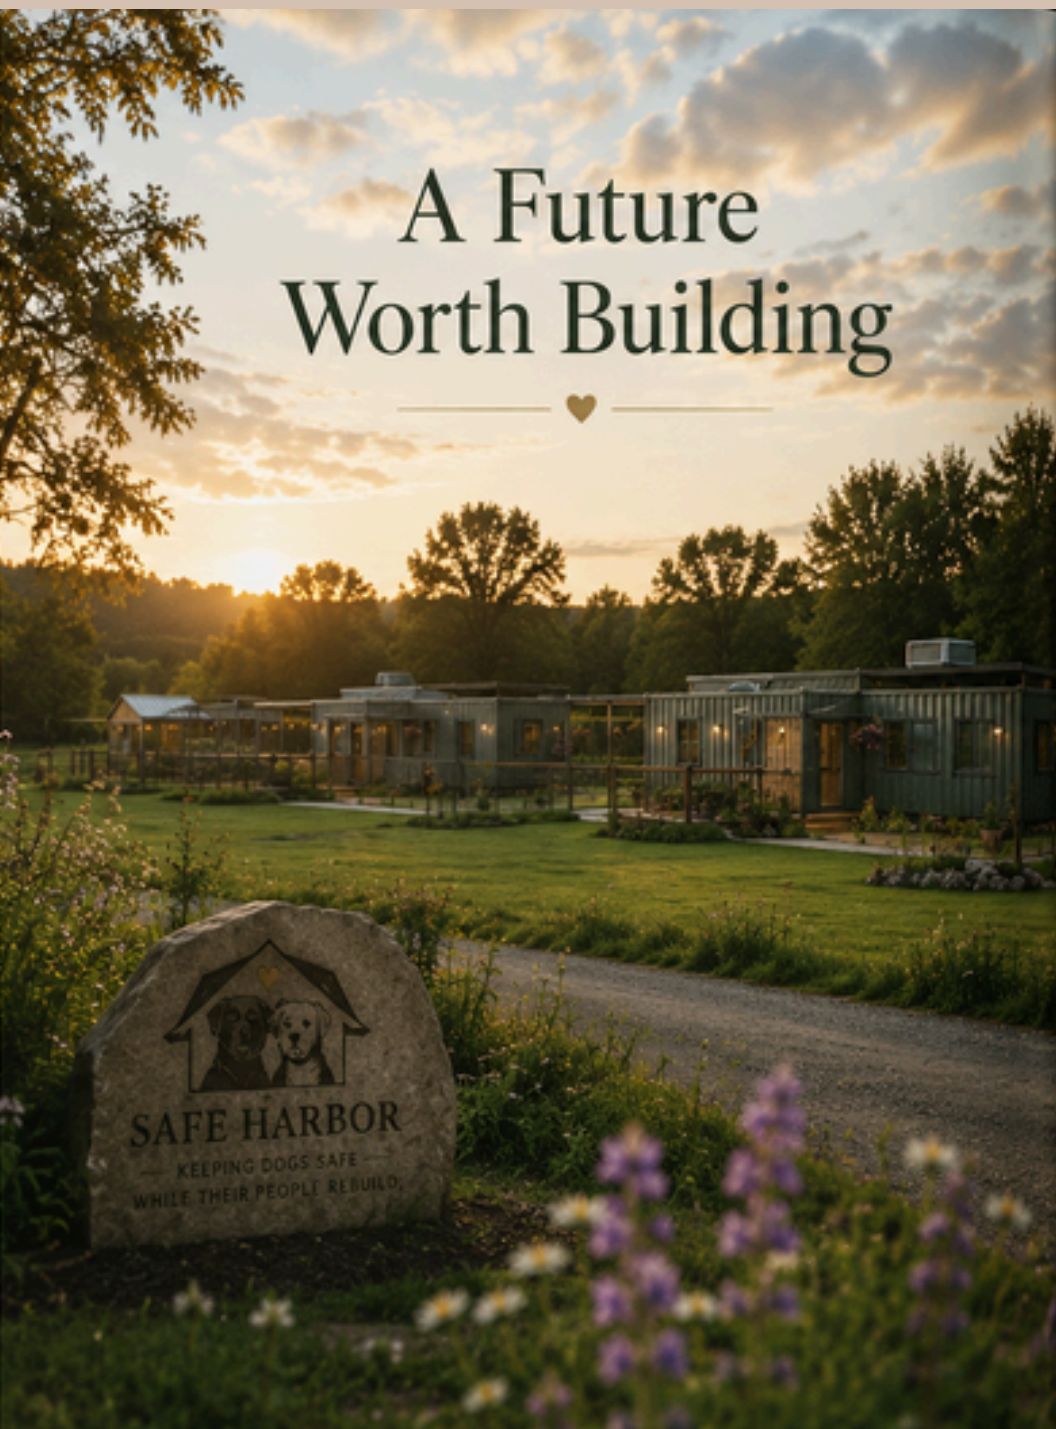

No one should have to choose
between getting back on their feet
and keeping the dog they love.

That's why Safe Harbor exists.

We keep dogs safe while their
people rebuild.

A Future Worth Building

*We're building more than
a place—we're building promise.*

A safe haven where dogs can rest, heal, and wait
for their people to overcome life's hardest moments.

A place designed with dignity, security, and love.
A place that restores hope on both ends of the leash.

This is the future we're creating together—
and we can't do it without you.

Stronger together. Built for them. Built for home.

Small Change. Big Impact.

A SINGLE "YES" AT CHECKOUT
CAN HELP KEEP A FAMILY TOGETHER.

*Round-Up for Safe Harbor
is simple, seamless, and powerful.*

When customers choose to round up their purchase to the nearest dollar, they're turning everyday moments into lifesaving support.

Those spare cents add up—providing temporary, referral-based care for dogs while their people face short-term crises.

Small change. Big impact.

HOW IT WORKS

It's effortless for customers.

How Round-Up Works

The Round-Up program is one of the simplest, most effective ways your business can support Safe Harbor.

Here's how it works:

1. YOUR CUSTOMER CHECKS OUT

At the point of sale, your customers are invited to round up their total to the nearest dollar.

2. THE CHANGE ADDS UP

Those spare cents add up quickly—turning small acts of generosity into real, measurable support.

3. SAFE HARBOR RECEIVES THE FUNDS

100% of Round-Up donations go directly to Safe Harbor, helping us provide temporary, referral-based care for dogs while their people face short-term crises.

4. FAMILIES STAY TOGETHER

Dogs are safe. Families are supported. Hope is restored.

It's a Win for Everyone

Your business builds loyalty. Your customers feel good.
And together, we make a lasting impact in our community.

Small change today. Stronger families tomorrow.

They rely on us.

We rely on you.

Behind every dog is a person facing something hard. Together, we give them the time, care, and hope they need to stay together.

*Because families
belong together.*
